Report on East Midlands Meeting – 20th November 2017

Constitution Update - At the AGM there was a change to the constitution to point to the British Orienteering O-safe policy. The updated constitution is now available on the EMOA website at [constitution link](#).

L2 Coaching Course - It was agreed at the meeting that we would fund 2 attendees to support their work with the Junior Squad.

Development Role - No one had taken on the Development role at the AGM (if anyone has any ideas for folk who could do so, please ask them to put their name forward).

New Level A Controller - British Orienteering ran a Level A Controller's course recently and EMOA had one candidate on it, Roger Edwards. EMOA need to formally nominate Roger to become a Level A Controller, and the committee agreed unanimously to do this.

Controllers - There is a shortage of controllers in the region. If anyone would like to put themselves forward as a controller please do so.

Junior Squad - Anne-Marie Duckworth reported that Anthony Squires and herself had taken over from Dai Bedwell at the start of the autumn 2017 series. They wanted it recognised by EMOA how much effort Dai had put into organising, training and transporting our juniors to special training days and competitions over many years. The committee seconded those thoughts. See Anne-Marie's detailed Junior Squad Report in this EMEWS.

EMJOS Summary - November 2017

Anthony and I have taken over from Dai Bedwell at the start of the autumn 2017 season.

We both would like it recognised by the EMOA how much effort and time Dai has put into organising, training and transporting our juniors to special training days and competitions over many years. He will be continuing to be involved as one of our experienced Level 2.

Anthony Squire's (NOC) role will be to focus on the athlete development and the training schedule through the year.

My role is more administration - interfacing with the juniors, parents, Club/EM officials, JROS and competition organisers etc, as well as Level 1 coaching.

Ant will be working for his Level 2 qualification in the new year on the next EM coaching course.

We are and will be working with other coaches in the region to expand the network of people working with our junior talent and to delegate the work load for training sessions.

Training Schedule:

Looking backwards over the last few months the junior events have been:

12th Nov 2017 at Bradgate - an afternoon session concentrating on contour interpretation for 14 juniors. With athletes abilities ranging from good orange/light green up to TD5 champions, the multiple short loops with coaches shadowing or leading the exercises worked well. Ant developed the exercises, which were mentored by Dai Bedwell and Julie Ferris, both of whom were present on the day.

3 new "rising" standard orienteers joined us for the session. The feedback was they enjoyed the session and would come again.

15th Oct 2017 Burrough Hill - after running a colour coded course (LEI event) the 12 athletes were asked to think about and understand what skills are in their Orienteering Toolbox and assess strengths/development areas for these skills. This session saw the **Training Folder** introduced by Ant.

Each athlete has a folder and at each training session they will have session planners/feedback forms, on which they record their thoughts, progress or ideas.

The open area of the ancient fort allowed for practice with setting bearings, interpretation of contours, fine corridor navigation and distance judgement.

There was one new athlete join the squad.

Previously reported:

Saturday 2nd September with West Midland Squad at Dudmaston (Bridgenorth)

EMEWS

Saturday 8th July LEI's Cademan Woods

Saturday May 28th Bramcote Hills (Nottingham)

Saturday April 1st Lincoln South Common

Weekend 4th & 5th March with Ulvaston School, Lakes training event (Great Tower accommodation).

Looking forward:

Ant provided the complete squad (paper copies and email) a spreadsheet that summarised our ideas for training sessions in the coming months in the context of major competitions and junior selection races.

The "O Planner" highlights where we may have local East Midland training sessions or look to combine efforts with other regional squads (previous good partnerships have included YHOA, WMOA and WOA squads) or go away for weekends including a major event.

Confirmed training session:

Weekend 16th & 17th December Training with South Central Juniors (SCJS) and running the selection race (Interland) on Ash Ranges.

There are 11 athletes signed up to go early on Saturday in a minibus to Mychette, for an afternoon training session run by Sarah Rollins and Fiona Bunn, with SN and EM coaches assisting.

We will be travelling by minibus, staying over night in a scout hut in Woking Park with SCJS. Evening events will include swimming, supper, a technical session and a small run in the Park. The squads will provide breakfast, before competing in the Ash Ranges National event.

Competition Results:

2017 JIRCS South East - the Surrey Hills near Guildford: EMJOS's result 5th overall equals our best result for a number of years. This was due to coming 5th place after the individual day and 7th on the relay day.

National Forest Report

The National Forest Company now has a new structure in its new more independent form. Sam Lattaway rather than one of the directors will chair the Access & Recreation Group in future and he has always been a strong supporter of orienteering and is an honorary member of LEI

The Charnwood Forest makes up a large part of the National Forest and includes many of its best orienteering areas. I serve as a board member on its Landscape Partnership and we have just been successful in a grant bid to the Heritage Lottery Fund (HLF) for initial support through its Landscape Partnership (LP) programme. This is the result of two years' hard work but we now have to put flesh on the bones of the constituent projects before we can draw down the balance of the funds so the work will only intensify.

We have a quarter of a million pounds to fund development work to then justify the balance of the funds for this £3.9 million pound project. This money is ring-fenced for us and we would have made a very serious mess of things not to eventually receive it

Charnwood Forest's unique landscape erupted out of a volcano in the oceans near the South Pole 600 million years ago leaving a landscape defined by granite-topped hills, wooded valleys, heathlands and grasslands.

Our Landscape Partnership project aims to raise the profile of Charnwood Forest as a surprising outpost of upland England in lowland Leicestershire. Amongst the key parts of the project is to improve links and connectivity between various sites which could open up new orienteering opportunities. It will help people to explore Charnwood by investing in the 'honey-pot' sites of Beacon Hill, Bradgate Park and the Outwoods and improving the network of footpaths, bridleways and cycle routes that link them and some neighbouring tender schemes.

We will now have funding for an 18-month development phase, during which we will be gathering key information and pulling together the detail of the projects that will form the basis of the five-year Landscape Partnership.

EMEWS

On other issues within the National Forest, the Woodland Trust is in the final stages of negotiations to purchase a sizeable block of land which should eventually offer some orienteering potential. Due to commercial sensitivities the exact location is not disclosed as yet but I am guessing South Derbyshire

The NF have appointed an Access & Recreation Officer to push their agenda which for the next few years is to encourage visits to and the use of the forest areas. I have made overtures to this new lady who is very experienced in the field and can only see this as another good omen for the sport going forward.

Course Planning

For all EMOA Club members who are thinking of taking up Course (not Coarse!) Planning for 'O' Events, together with those who have already been bitten by the 'Planning Bug', the 25 page pdf document, produced by Hilary Quick of SOA, is recommended reading and is available to download from the British Orienteering Resource Library in the section on 'Planning':

Forest Challenge!

*The orienteering board game for 2-6 players from
North Gloucestershire Orienteering Club*

- ✓ The game includes everything you need - laminated map, kites, punch cards, "Control" cards, "Advantage" cards, instructions, dice, tokens etc.;
- ✓ Design a different course each time you play by using the moveable control stickers;
- ✓ The map sections can be fitted together in different combinations for more variety;
- ✓ Choose score or line orienteering;
- ✓ Add even more variety by drawing your favourite terrain on the blank map grids supplied.

General idea of the game. Each player takes it in turn to throw the dice and move his token between controls, choosing his own route as in real orienteering. On reaching a control a player takes a Control card and follows its instructions. During the game players can use their Advantage cards in conjunction with their dice throw to help them get ahead of, or catch up, other players. The winner is the first player to reach the finish line. *The use of moveable control stickers means that you can run a different course every game!*

Cost of the game is £11-00 (including postage) from Alan Brown, 10 Brizen Lane, Cheltenham, GL53 0NG. Cheques payable to NGOC (or pay by PayPal or bank transfer). Email Alan Brown for further information at alan@brizen.co.uk

Coaching day in the Lakes

EMEWS

The Orienteering Foundation is pleased to announce that we have arranged a coaching day on Saturday 10 February 2018. The day will be held in the South Lakes (exact venue TBC) and will run from 10:00 to 15:00. Participants can be of any standard other than absolute beginners.

As well as the individual coaching (which will be restricted to participants age 18+), Clubs may also organise their own coaching (which can include juniors) using the controls set out, provided they take full responsibility for their groups and use appropriately qualified coaches.

You can make it a weekend of orienteering and practise what you've learned by participating in the LOC orienteering event at Black Beck (TBC) on Sunday 11 February.

Don't delay in getting your place as numbers are limited for safety and to ensure a good in-forest experience.

Full details and how to register are on the Orienteering Foundation website at <https://www.orienteeringfoundation.org.uk/orienteering-foundation-coaching-day>

Fixtures

This fixture list is intended to list all major events in the UK, and all East Midlands events. It includes all the information available to me about the event at the time of going to press. Details on entry are normally available on the club sites. Unless otherwise stated, Local events offer entry on the day (EOD) to a range of colour coded courses with start times from 10:30 to 12:30. Some will provide a wider range of courses than others. Regional events provide colour coded within which age classes can be run. National events provide a range of age related courses and are normally entered in advance.

The OS map reference is either the car park or point from which the event will be signposted. The list is based on BOF registration, but events are sometimes cancelled. If you are uncertain of whether an event will be on, check with the organiser. The editor takes no responsibility for wasted journeys.
